MODIFICATION 2

Florida Department of Transportation-District 5
Attn: Patrick Muench
719 South Woodland Blvd.
DeLand, Florida 34720

Dear Mr. Muench:

The U.S. Army Corps of Engineers has completed the review and evaluation of your modification request received January 7, 2009, in which you asked to modify Department of the Army permit number SAJ-2005-6674 (IP-AWP) to impact 0.05 acres of waters of the United States to add a series of sound walls along the roadway corridor within the existing road right-of-way. The sound walls are located on the east side of Interstate 95 south of Eau Gallie Blvd., in Sections 22, 23, and 27, Township 27 South, Range 36 East, Brevard County, Florida.

The proposed modification is to account for 0.05 acre of impacts to waters of the United States, wetlands, associated with the addition of sound walls parallel to I-95.

The impact identified in your modification request has been reviewed and found to be insignificant. The permit is hereby modified in accordance with your request. You should attach this letter to the permit. All other conditions of the permit remain in full force and effect.

If you have any questions concerning permit modification, please contact the project manager Andrew Phillips at the letterhead address, by telephone at 321-504-3771 or by electronic mail at andrew.w.phillips@usace.army.mil.

Thank you for your cooperation with our permit program. The Corps Jacksonville District Regulatory Division is committed to improving service to our customers. We strive to perform our duty in a friendly and timely manner while working to preserve
